

#### **4. Are there any uses you would not want to see?**

1. Cars, motorcycles
2. all terrain vehicles, snowmobiles
3. in-line skating
4. Anything motorized or horses
5. Motorized vehicles
6. ATV, encourage dog waste pickup
7. riding horses
8. Rollerblading
9. safe for kids to get to destinations on rt. 28
10. I would use it for exercise, and a way to get to friends without a car

#### **6. Other Positive uses?**

1. Positive way of promoting exercise and maintaining good health
2. exercise
3. Increased social contact for members of the community
4. Improve appearance as it stands

#### **7. Other Negative uses?**

1. Hang out for rude/unruly people/transients
2. night time loitering of teenagers and vandalism
3. Dog waste
4. property values decrease, not increase
5. loitering
6. brings up 'undesirables'
7. DOG POOP!!! Wed
8. unclean dog feces from dog walkers
9. What if they bring the train back? Commuter rail to Boston. What happens?
10. tax increases
11. loitering, vagrancy, loud noise
12. Hang out for High School kids
13. will allow criminals to travel freely out of sight of police

#### **8. Other destinations?**

1. Library, town hall, senior center,
2. Field of Dreams on Geremonty Drive
3. north towards rte. 111
4. Plaza with McKinnon's
5. Wendy's
6. Plaza with McKinnon's
7. my mom's house
8. Need to have save crossings to other side of 28 in order to reach these destinations from trail.

## "Other" Responses to Questions Bicycle and Pedestrian Corridor Survey - October 2008

9. so many places I'd use it to and ride my bike rather than drive
10. Library Wed,
11. not a good idea
12. I would want to connect to the Windham bike route
13. NEWMAN FORD /HYUNDAI
14. Windam section of bike trail
15. Derry
16. Salem town forest
17. Windham post office
18. Windham Rail Trail head
19. Depot

### **9. Other places to cross?**

1. None
2. None
3. I don't think any should cross 28 the traffic is messed up enough and bikes and people crossing will just make it harder for traffic to flow.
4. don't want it
5. None, too many traffic lights on route 28 now!!
6. all of the above so no business would be left out of potential customers.
7. Safe crossings should be made available at all existing traffic lights and in residential areas.
8. Rte 28 is not safe for pedestrians or bicycles on either side of the road, nor do I see a path/corridor making it any safer.
9. Traffic is bad enough without adding safe pedestrian and bicycle crossings. Too many lights and waiting now!!!!
10. near mall and market basket 28 good place it's a long street will there be more then one place to cross ?
11. Dyer Avenue
12. none
13. none
14. Not on Rte. 28, but the intersection of Millville and Rte. 97 needs serious attention.
15. use existing intersects and traffic lights for the installing of pedestrians crossing
16. Salem town forest
17. Westchester/28 T
18. Depot
19. This is a disaster waiting to happen
